Sharing the love and joy of knowing Christ

Latest news

Christians Against Poverty News

At our conference, The Gathering, we announced something truly staggering. Already this year, one thousand CAP clients have made a commitment to Jesus!

Not just that, but it brings the total number of commitments since CAP started to SEVEN THOUSAND! Wow!

It seriously blows me away to think that the little charity I started in my bedroom office with a tenner has managed to bring God's light into so many lives and increase his kingdom! It gives me so much joy to think that 7,000 people are now walking with God, experiencing his enormous love and bringing that light into other lives too.

People like Karyn, who said, 'Since making a commitment, my whole life is different! I'm a completely different person. Even colours seem different!'

Praise God for Karyn and the thousands of others whose lives will never be the same again!

Bible Society Collection Sunday 15 October

On the 15th of October we have Howard Barker from the Bible Society coming to speak to us. Last year Hannah Dobbins came and we took a special collection for the work they do. They work amongst children in the UK, refugees across the world and they translate and share the Bible in languages previously unavailable. They do much more and if you would like to find out what it is then go to www.biblesociety.org.uk

Don't forget to pray about whether you would like to give and bring your gift on the 15th of October for the Bible Society.
